DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue.

The amendment has been authorized by applicant's attorney, Mr. Jeffrey Schira.

2. The application has been amended as follows:

CLAIM 1 (Patent claim 1):

- Line 5: after "having", change " a " to - - **an extreme** - -.

CLAIM 7:

- Line 6: after "rounded", insert - - **end having an extreme** - -.

CLAIM 10:

- Line 1: change "distal point" to - - **rounded end** - -.

Art Unit: 3734

3. The following is an examiner's statement of reasons for allowance: the prior art reference has failed to disclose or suggest a surgical knife having a cutting edge profile defined by the equation as recited in the claims.

One reference, Curry et al.-4,720,918, discloses a thickness profile of a razor blade defined by a similar equation to reduce a resistance to a continued penetration of the razor blade into a hair body by optimizing an included angle (Curry-'918: col. 2, lines 20-31; Fig. 2-3). However, Curry-'918 does not disclose a blade having cutting edges with a profile as defined by the equation of the present invention.

Claims 1-11 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
